BULLETIN – UAE RMC 2025-26 CALENDAR UPDATE

Dear Competitors, Entrants & Teams,

I write to inform you of a revised plan to host UAE RMC Round 6 (originally scheduled to take place on 08 March 2026 at Dubai Kartdrome) on Saturday 28<sup>th</sup> March 2026 at Al Forsan International Sports Resort. This will constitute a double-header weekend with Round 7 already scheduled to take place on Sunday 29<sup>th</sup> March 2026.

We have reviewed numerous options with our trusted partners while monitoring the on-going regional situation and believe that this decision represents the most practical solution at this time.

We must emphasise that, by necessity, this revised calendar announcement is subject to regional developments which remain fluid and will require close monitoring as events unfold.

We very much appreciate the cooperation of our partners in these trying circumstances, noting the consideration shown by Dubai Kartdrome with the enforced change of venue.

The safety and well-being of competitors, families, officials, partners and spectators remain our absolute priority.

Thank you for your understanding and continued support. Please stay safe.

Yours,

GUY SHEFFIELD  
CHAMPIONSHIP DIRECTOR  
UAE ROTAX MAX CHALLENGE
