The champions will have the honour of representing their nation on the international stage, competing against top drivers from around the globe in two of the most prestigious events in Rotax karting.

With these incredible opportunities at stake, every race becomes crucial as competitors battle throughout the 3 days event for their chance to reach the highest level of Rotax competition.

// **NATIONS** **CUP**

The Nations Cup recognises the combined achievements of drivers representing their countries in the RMC MENA Trophy 2026.
