

REF 26031901

**BULLETIN – UAE RMC 2025-26 CALENDAR UPDATE – 19 MARCH 2026**

Dear Competitors, Entrants & Teams,

I write to inform you of important changes to the remaining rounds of the UAE Rotax MAX Challenge 2025-26.

Owing to the disruption caused by the continuation of the regional conflict, we regret to inform you that the Round 6 & 7 double-header event announced to take place 28/29 March 2026 at Al Forsan International Sports Resort will not proceed as planned.

Please see the below revisions to the calendar:

UAE RMC ROUND 6	11 APRIL 2026	AL AIN RACEWAY
UAE RMC ROUND 7	12 APRIL 2026	AL AIN RACEWAY
UAE RMC ROUND 8	18-19 APRIL 2026 *	AL AIN RACEWAY

** This affects the RMC MENA Trophy 2026 – information on this will be announced in due course*

We have reviewed available options with our trusted partners while monitoring the ongoing regional situation and taking guidance from relevant authorities. We have also factored in the concerns being expressed and the challenges faced by each of you in a wide range of individual circumstances.

We very much appreciate the understanding and support given by Al Forsan International Sports Resort who have devoted much time, effort and investment to improve the circuit/facilities and accommodate kart owners and, in particular, the UAE RMC Championship in recent months. Al Forsan continues to operate domestically and remains available for testing according to their regularly published schedule. Please contact the circuit themselves for specific information.

The safety and well-being of competitors, families, officials, partners and spectators remain our absolute priority. We will continue to monitor regional developments which remain fluid and will provide further updates as necessary.

Thank you for your understanding and continued support. Please stay safe.

Yours,

GUY SHEFFIELD
CHAMPIONSHIP DIRECTOR
UAE ROTAX MAX CHALLENGE
